

Ala Carte

Hathaway is where you savour the cosmopolitan flavours of our country, in particular the storied histories of our Southeast Asian crossroads.

We celebrate the incredibly delicious and interconnected region that we are, with a cuisine formed by centuries of interactions between the travelers and native peoples of our land.

From moreish heirloom fish curry and fork-tender beef rawon to quintessentially british breakfasts and puddings, we're here to bring you the rich culinary influences of our thriving metropolis.

We believe there is so much our tasty archipelago has to offer the world.

Here's wishing you lots of love, belonging, and deliciousness - here at Hathaway.
